

NOW BEGIN WORK ON THE QUESTIONS.

16. I took a bus and then a train to the airport. A bus was on time but the train was late.

(A) (B) (C) (D)

17. We lived in the Netherlands before moving here. But before that we worked in Middle East.

(A) (B) (C) (D)

18. I have put the glasses next to the knives and forks.

(A) (B) (C) (D)

19. A: Have you prepared any food for the party?

(A) (B)

B: Plenty! I'm sure people won't be able to eat it all and we'll probably have to throw any away.

(C) (D)

20. The giraffe, camel and cat are the only animals that move either their left feet and then both their right

(A) (B) (C)

feet when walking.

(D)

21. It is important that one knows how to take care of herself when travelling in a city.

(A) (B)

When on foot, one should choose busy streets whenever possible during the day and avoid walking by oneself at night.

(C)

(D)

22. A: Are you going to Jane and Mark's wedding on Saturday?

(A)

B: No, we are going to Nathan and Alison's. They are friends of my parent's.

(B) (C) (D)

23. A: Where have you been? I haven't seen you around lately.

(A)

(B)

B: Didn't I tell you? We've been on holiday. We stayed at a fabulous hotel highly in the mountains.

(C)

(D)

24. I'm so tired! I wish I had more free time and more work.

(A) (B) (C)

(D)

25. A: You hate your job. Why don't you leave?

B: Look, it's not hard to understand why I stay here. My ambition is to be sales manager and I've made

(A)

(B)

(C)

a decision working here for another year because it'll be good for my career.

(D)

26. A: Can I help you?

B: I'm here to collect a book I ordered two weeks ago. I came to collect it last week and your assistant said it hadn't been ordered yet. He said he was sorry and said me he would order the book that day.

(A)

(B)

(C)

(D)

27. My car's broken down. Can you help me?

If I know anything about cars, I would try to fix it but I know less than you do. If I were you, I would call

(A)

(B)

(C)

(D)

a garage.

28. If I had gone to university, I might had a better job now.

(A) (B)

(C)

(D)

29. Thousands of books have written about the territorial instinct of animals. Humans are territorial too and

(A)

when we understand this, some kinds of aggressive behaviour can be understood more easily.

(B)

(C)

(D)

30. A: Hi. How are you? It's been ages since I saw you.

(A)

(B)

B: I know. There's a shame we haven't kept in touch. Is it true that you're about to move overseas?

(C)

(D)

A: Yes, next month, in fact – to Istanbul.

31. The ball rolled between his feet to the garden shed, where it got lost among the tools on the floor.
(A) (B) (C) (D)
32. My family wanted to do something different this summer and in the end, we decided to go in a safari holiday in Tanzania. We booked our holiday in advance and because I'm studying zoology at college, I prepared myself by learning the scientific names of many animals at heart!
(A) (B) (C) (D)
33. Opening a bank account is not difficult but if you are not sure where to start, consult the welfare officer at your school. He or she will advise you for what you need to do.
(A) (B) (C) (D)
34. J.K. Rowling is the author of a successful series of books. She uses the initials J.K. because her publishers thought that a book written by a woman might not appeal with boys.
(A) (B) (C) (D)
35. A: I do apologize for forgetting about your birthday last week. Did you have a good time?
(A) (B)
B: That's all right. Unfortunately, I got the flu a few days before. My parents had given me tickets to the music festival but I was too ill to go. I'm upset because of missing it.
(C) (D)
36. A: If we invite Ben, we'll have to invite Liz. They're separable.
(A) (B)
B: Well, they've been friends since they were undergraduates at Cambridge.
(C) (D)
37. The first *Big Issue Magazine* was sold as a monthly publication in London in 1991. Regional sister magazines were later published in the UK. Today the *Big Issue* is sold as a week magazine in countries round the world.
(A) (B) (C) (D)

38. Human beings are characterized not only by their intelligent but by their ability to use technology to shape their environment.
 (A) (B) (C) (D)
39. Come in Sicily and experience its amazing colours, stunning landscapes and delicious, healthy food.
 (A) (B) (C) (D)
40. The main advantage of computers is that it's easy to find out information as how to travel somewhere.
 (A)
 This means that people don't need to look in books or newspapers. However, there is sometimes too much information available. Also, when we read facts on the internet, we don't always know what is true.
 (B) (C) (D)
41. Other recent films about sea creatures have managed to appeal with both adults and kids, but I don't feel this one necessarily has all the ingredients to do that. One fish looks much like another to me, but there are some good lines which make you laugh out loud and the computer animation is amazing.
 (A) (B) (C) (D)
42. Elfondo and Mackenzie play the lead roles in this film aimed at teenagers. Elfondo adds class and assurance and Mackenzie is affecting and affectionate. Despite the fact that there are few original thoughts in the plot and parts are quite tedious, you can't help wanting to find out what happens to their characters in the end.
 (A) (B) (C) (D)
